Hi Nancy,

The Mayor will not be in today during office hours while he is attending to a family matter.

There should not be any disruptions to our schedule next Monday, April 30.

Subject: Meeting with Mayor McGovern

Dear Wilford,

I know that Mayor McGovern has office hours on Mondays from 9-11am and I would like to meet with him to talk about the issue of the possible boycott of Hewlett-Packard by the City of Cambridge. I'm actually sending emails to him and all the City Councilors about this issue, but I feel so strongly about it, that I would like to voice my feelings in person if he is willing to listen.

I would be available this Monday the 23rd or on the 30th. Please let me know.

Thank you,

Nancy Gold
